

## Become a Friend of the Meyer Theatre!

**Friends of the Meyer Theatre** is a newly formed group of avid Meyer supporters that seek the preservation, promotion and enhancement of the nonprofit theatre. **Friends of the Meyer Theatre** help support those goals through an annual fundraising appeal, volunteerism, and support of the theatre's fundraising/special events.

## Making a Difference With a Little Help From Our Friends!

When you support the Meyer Theatre through a donation of \$100 per year, you automatically become an official Friend of the Theatre. As a Friend, your support makes a significant difference in preserving the theatre for future generations. You can also choose to roll up your sleeves and have some fun with other Friends by supporting the Theatre's ongoing aspirations. Opportunities to get involved are optional and activities include:

- Organizing and Helping with Fundraising/Special Events
- Volunteering/Ushering at the Meyer Theatre
- Planning for Educational and Children's Programming
- Assisting with Marketing and Promotions

## Friendship is the Greatest Gift....

Join us if you love the Meyer Theatre, its history, architecture and programming! If you are interested in having fun with other theatre-lovers from our community, come be a Friend!
